# P6 BT

The Escape P6 BT shares many of the unique features of the P9. Made from the finest materials to listen to your favorite music in style.

The P6 BT is the perfect balance between design and performance. Enjoy the harmonious interplay between the bass - midrange and treble thanks to the two exclusive and custom-made speaker drivers (same type as the P9) and a subwoofer with diameter of 17cm. (6 1/2 inch)

A high-performance digital amplifier of 60 Watts RMS and powerful 24-BIT DSP processor ensure 360° sound reproduction fully in line with our philosophy - the passion for music.
